

Trondhjems Turnforening (Gymnastic club) (TT) is situated in the university city of Trondheim, one of Norway's oldest and largest gymnastics club with more than 1800 active members, with a fully equipped training facility in the center of Trondheim. TT has traditionally engaged primarily in artistic gymnastics, but has had a program for Teamgym since the early 2000's. The club's priority is to develop gymnasts in all three disciplines at a national level, and we are now looking for a head coach for our Teamgym program.

COACH for TEAMGYM

Trondhjems Turnforening (TT) is looking for a coach for Teamgym to be a part of our core coaching team. We are looking for a coach with experience in team building as well as high level gymnastics, with good communication skills. The coach must be willing to work hard with club strategies and athletes in order to achieve the club's ambitions and goals.

This is an exciting opportunity to work in a team of coaches in close cooperation with the administration, to bring TT and its gymnasts to the next level.

The position includes the following:

- Coach TT's team for Teamgym and recruits.
- Long term planning for pre-elite and elite levels.
- Cooperate with and mentor coaches at pre-elite level.
- Participate in recruitment of athletes to Teamgym
- Aid in the development of club strategies

A detailed instruction for the position will be prepared in agreement with the employed person and the Managing Director of

Candidate Requirements:

- Highly competent, experienced and trained background in all disciplines of Teamgym.
- Proven successful coaching on high competitive levels.
- Be up to date on international regulations in Teamgym
- Valid certificate of good conduct from the Police will be required.
- Full time position. Ability to work evenings, weekends and school holidays.
- Speaks a Scandinavian language or English. Willing to learn Norwegian.
- The position will require some traveling due to competitions and training camps.

Skills Needed:

- Positive, energetic with a passion for the sport
- Ability to work systematically and document the training activities
- Strong communication skills
- Ability to build relations and good cooperation skills
- Ability to work in team with other coaches

We can offer:

- Exciting position in a social, professional and modern working environment
- Competitive salary plus benefits – dependent upon experience
- Direct reporting line to Managing Director
- Help in achieving adequate language skills

For more information or questions regarding the position, please contact Managing Director, Kari Kvam +4795200915 and visit our home page at www.trondhjemsturn.no.

Resume's will be accepted in confidence and should be submitted by November 2018 at the latest. Please

submit your application by e-mail to: kari.kvam@trondhjemsturn.no
