

Trondhjems Turnforening (TT), situated in the university city of Trondheim, is one of Norway's oldest and largest gymnastics clubs with more than 1,800 active members, with a fully equipped training facility in the city center of Trondheim. The Norwegian gymnastics federation is currently working to improve the level of Norwegian MAG/WAG, and TT wants to be a part of this effort. Our aim is to expand and further develop our program for elite gymnastics, in order to create athletes of national team caliber. TT has a long tradition with elite artistic gymnastics for both women and men, and in the past has produced many national team members and champions.

We are seeking full time Coaches for Elite Artistic Gymnastics women and men
